

LAURA ABRO

Full Stack Web Developer

SUMMARY

Full stack web developer with experience in machine learning and artificial intelligence.

WORK EXPERIENCE

March — May 2023

Intern at The Collab Lab

Collaborated with a remote team to create a smart shopping list app. Employed Agile development principles.

Skills: React, Firebase

Oct 2022 — Present

Volunteer Web Developer at 100 Devs Agency

Developed CommunityTaught.org, a website used by over 10,000 developers learning to code. Maintain the open-source repository for the website.

Skills: MongoDB, Node.js, TailwindCSS, Pug

Aug 2016 – Sept 2023

Planned Education and Family Sabbatical

Relocated to Pakistan with my husband; provided support to our children as they navigated the transition. Learned Python and Django initially, later Node.js, React, and Vue.

Skills: Python, Django, Node.js, React, Vue

Jun 2008 — Aug 2016

Full Stack Web Developer at BabyBeddingZone.com
